Dear Daniel Bagley PTA Supporter,

Thank you for your consideration in supporting Daniel Bagley Elementary School's annual fundraising event. Corporate and individual support such as yours, is vital to our success in raising funds for the continuation and growth of our academic enrichment programs, including music, art, health & fitness, library, classroom tutors and classroom field trips. Your support will ensure a positive educational experience for our students and help to expand the services the school offers children, educators and families.

Our annual fundraising event will take place February 27, 2010. Each year the PTA looks to increase the success and this success is due to the support of people and businesses like you in our community. Daniel Bagley Elementary is a socio-economically diverse Seattle Public School located in the north end of Seattle near Green Lake. Daniel Bagley is a unique small neighborhood school with a big family feel. Over the past ten years the school's staff, parents and local community members have been engaged in an effort to revitalize Daniel Bagley Elementary.

Our accomplishments include:

- \* Just recently recognized as being one of the ten Seattle Public Schools "**Great Schools**" recognized by The Center for Educational Effectiveness and Phi Beta Kappa.
- \* **A successful Inclusion Program** that provides academic and social skills support to students with special needs in a general academic setting to learn from their typically-developing peers. This inclusion program is dedicated to supporting ALL students.
- \* Two successful educational models in one public school. Our **Contemporary methods curriculum** and **certified Montessori program** provide a strong academic foundation for each child's education. Academics, the arts, sciences, technology and social skills are all combined into an exceptional school experience.
- \* **Enrollment** has increased from 165 students in 1999, to 378 this year.

Thank you for your consideration to donate to this year's fundraiser. I am enclosing a Procurement Form for you to fill out and mail or fax 206-252-5111 back to me by February 1, 2010.

Yours very truly,
