

Winter 2012 Daniel Bagley PTA After School Programs

The PTA is excited to present a variety of after school classes for this quarter. These classes are independent of Daniel Bagley Elementary and are managed 100% by the PTA. Please read all of the following information and decide which after school programs would work best for you and your child.

After school classes begin directly after school and end promptly at 4:40pm.

The PTA will try our best to accommodate your child into winter after school classes. If there are more children registered than available slots in a class, the PTA will draw names from a lottery to ensure equal opportunity.

If you wish to register your child for more than one class, please write a **SEPARATE CHECK** for each class (each check made payable to Daniel Bagley PTA). If your child does not get into a requested class, your check for that class will be destroyed.

****The PTA is committed to offering after school programs to as many students as possible. Please review the registration form for our scholarship and payment plan options. **Payment plans and/or scholarships can be accommodated, but the request must accompany this registration form.** *We will not be able to register your child for an after school class until payment has been received, a scholarship awarded, or a payment plan approved.* Review your options and contact us by the registration deadline regarding financial assistance!**

Important dates to remember:

- ❑ Return all After School Program registration forms and payments to the office or your child's classroom teacher no later than 3:30 p.m. on Thursday, December 15, 2011.
- ❑ You will be informed by Thursday, January 5, 2012 if your child got into their desired class(es).
- ❑ Winter quarter classes begin the week of January 9th and run through the week of March 23rd.

Do you have questions about registration? If so, please contact Anne Caughlan at 206-351-9958 or BagleyASP@gmail.com

Do you know a great teacher or have an idea (or request) for an after-school class? If so, please contact Sharie Hyder at 206-354-3600 or BagleyASP@gmail.com

Daniel Bagley PTA After-School Program Policies and Procedures

The after-school program is presented and managed by the Daniel Bagley PTA. This program is NOT part of the regular school curriculum. Please review the guidelines below:

For Parents/Guardians:

1. Each class runs from 3:40pm until 4:40pm. Students enrolled in an after-school class must be picked up promptly at **4:40pm**. Parents must come into the building (or Bethany Church if class is held there) to pick up their child from the classroom. No curbside pickups will be allowed. If your child is already enrolled in Boys & Girls Club (and normally attends on the day of his/her after-school class) he or she will be picked up directly from their after school class by a B&G Club representative at 4:40pm and taken to the Boys & Girls Club.
2. **You must pick up your child at 4:40pm.** Because of high enrollment, Boys & Girls Club cannot accept drop-ins of children not already enrolled in Boys & Girls Club. The school office is normally not open at 4:40 pm. Doors to the school are locked shortly after 4:40 pm daily.
3. If you are repeatedly late in picking up your child, the PTA reserves the right to drop your child from the class.
4. There is no childcare for siblings. All children not enrolled in after-school classes must be picked up at 3:35pm.
5. There are no after-school classes on early dismissal days, or on days when school is cancelled or closed early due to weather. If after-school classes are cancelled due to weather, or other unforeseen circumstances, there are no refunds or make-up classes.
6. There are no tuition refunds for after-school classes. If your child quits or is suspended or dropped from an after-school class, the PTA cannot refund your tuition.
7. In order to make the after school programs run well, we need your support. We may ask a parent/guardian of each student to volunteer to help with at least one class during the session. We understand that for many parents this is not possible, but ask your help if you are able.

For Student Participants:

1. I understand that rules for the after-school program are the same as the rules during the school day at Daniel Bagley. I agree to follow all school rules during attendance in after-school classes.
2. I understand that in addition to regular school rules, the after-school class that I am in may have special rules unique to that class. I agree to follow any special rules as well.
3. I agree to pay attention to the teacher and parent volunteers during after-school programs, and to follow their instructions.
4. I understand that if I break a regular school rule or a special class rule, the teacher or the parent volunteer will give me a verbal warning. If I receive a second warning on the same day, I may be asked to sit by myself in a time out. If I get a "time out," the teacher will inform my parent/guardian.
5. I understand that if I do not cooperate when given a time out, or if I receive three or more warnings in one day, I will be suspended, and I will not be allowed to attend that class the following week.
6. I understand that if I receive three warnings on a second day of class (or a second suspension), I will be dropped from that class for the rest of the session.

We have read and discussed the Daniel Bagley After-School Program Policies & Procedures and agree to follow the guidelines as written.

"MAD" SCIENCE GRADES K-5: 10 weeks — Jan 12 through Mar 22

Welcome to the **Mad Science After School Program** where you will learn that physics is the science that just won't quit - it's everywhere! We'll find physics in magic tricks, in stunt plane wings, in electrical currents and even a little bit in chemistry. Children will experiment with gravity, inertia, and centripetal force, see how magicians use science to pull off some astounding illusions, find out why "thin air" is one tough cookie, conduct cool chemical reactions, and much, much more. Every class also builds awesome take-homes to share the Mad Science experience with family and friends! Our program is a unique and innovative way to continue the learning process after school and your child will have so much fun it is hard to believe that they are actually learning at the same time.

MODERN BALLET LEVEL 1 GRADES 1-4: 9 weeks—Jan 13 through Mar 23

Join Kathryn on a journey through the creative, fun, and graceful worlds of modern and ballet dance. We will explore the basic techniques of both styles, including the ballet positions, modern dance falls and rolls, and exciting ballet leaps and turns. And in the style of modern dance, we will have plenty of time for creative explorations, including movement games and the opportunity to choreograph our own dances. We will culminate the session with a special performance for families on the last class day. Please prepare your dancer with clothing in which she/he can move freely and bare feet (please no skirts, jeans, or footed tights on dance class day!) This class is open to grades 1-4, and Kathryn encourages only those who are very interested and serious about learning ballet and modern dance to join. This is a rare opportunity to get ballet/modern wisdom for a great price, right in your own backyard!
